

Dear 2nd Grade Families,

I hope you had a wonderful weekend.

Notes and Reminders...

*Please make sure to continue to send proper outdoor weather gear. Even though the sun might be shining, it still can be a bit chilly and hats and gloves might be needed.

* Empty Bowls Dinner 3/15/16 from 6:00-7:00p.m.

* Please sign up for Parent Teacher Conferences

* Parent Teacher Conferences March 23rd and March 24th

* Half Day of School Thursday March 24th.

Homework

*Each 2nd Grader should be reading for 20 minutes every night.

* Word Sort Homework due 3/18/16

This week in 2nd grade...

In Reading: We are turning our focus to exploring important ideas in non-fiction text. The students will make an informal inference to think about what is important in the text.

In writing: We are culminating our unit on opinion writing. The students will have a celebration on Friday. The students have learned to use a topic sentence to name their opinion and to give reasons and evidence to support their opinion.

In Science: We are learning about weather instruments, including an anemometer and a wind vane. We continue to study the movement of air.

Have a great week!
